**Total:** \_\_\_\_\_

Thank you! See you again soon.

1. Can you calculate the total bill and write it on the receipt?
2. Sophie had a cola and Dough Balls, James had a Margherita pizza with Garlic Bread and Charlie had an American pizza. How much should each pay?

Sophie £ \_\_\_\_\_

James £ \_\_\_\_\_

Charlie £ \_\_\_\_\_

3. Check the three payments and add up the total.

Your waiter has been amazing so you decide to round the bill up to £20.

4. How much tip have you left? \_\_\_\_\_
