

PizzaExpress Honoured for Delivery Service Excellence by the Cyprus Eating Awards

There is nothing quite like getting a great pizza delivered to your door piping hot, tasting and looking as delicious as it did as soon as it came out of the oven. We are committed towards that goal, as we are aware of the quality standard customers expect from us.

We are proud to announce that PizzaExpress continues to win over the hearts and minds of pizza-lovers island-wide, securing the highest popular vote for “Best Pizza Delivery” at the Cyprus Eating Awards.

The award solidifies PizzaExpress’ reputation for maintaining a high quality standard, as home comfort dining becomes more important than ever. We want our customers to have a great time, every time!

While we celebrate this honour, we also promise to continue serving award-worthy excellence, wherever our customers may be. And when we promise, we deliver.
